

Normal Monitoring: There is currently no active or potential emergency.

Level 1 (Green): Active Monitoring: An actual or potential emergency situation has been identified. Continuous monitoring by Municipal Emergency Operations Centre (MEOC) members is taking place. 24/7 monitoring of MEOC phone line begins.

Level 2 (Yellow): Partial Activation: Some positions are now filled and operating in the MEOC. Operational hours of MEOC will be dependant on requirements of the response, however, 24/7 monitoring of MEOC phone line continues.

Level 3 (Red): Full Activation: Most or all positions are filled and operating in the MEOC on a 24/7 basis.
