

COLONEL NASE BOULEVARD DEVELOPMENT OPPORTUNITY

It is a tale that begins in 1783, with Colonel Henry Nase – a Loyalist settler who chronicled the earliest days of Grand Bay-Westfield in his diary – a document that now rests in the New Brunswick Museum Archives.

Colonel Nase wrote the earliest chapters of our community's story, and we have since grown into a vibrant riverside town with a growth-oriented balanced lifestyle. You can be a part of the latest chapter, sharing in our vision of a successful, caring community.

We invite you to join us in creating new opportunities and new stories in Grand Bay-Westfield – A Community of Friends.

Be a part of our community story.

Grand Bay-Westfield

We are a community that is connected to its past, committed to its present, and focused on crafting a future we can all take pride in.

Our excellent transportation links, proximity to Saint John, river-paced lifestyle and commitment to recreation and wellness has made us a thriving family-oriented community.
